

You can print your Coggins 24/7 from your computer by creating an owner account with Global Vet Link.

To Create a Global Vet Link Owner Account:

- 1. Go to www.MyVetLink.com**
- 2. Click on “Create Account”**
- 3. Enter your email address in the search field. Click on register. When your email address has been confirmed you will see a temporary password, and a message will be sent to your email address. Leave the window with the password open, then go to your email for the link to input the temporary password.**
- 4. When you receive the email from Global Vet Link click on the line that is provided in the email. (The link is valid for 30 minutes. If the link expires repeat steps 1-4.)**
- 5. At the prompts, setup a new user name and password. Use these to login to Global Vet link in the future. Your new password must be at least 7 characters long and include a number, a letter and a special character (ex. !, @, &, *, \$).**

You must use either Mozilla Firefox or Internet Explorer to use MyVetLink.

For easiest and best results, copy and paste the provided password into the field when prompted from the email link.

Note: Florida Equine Veterinary Services must have your email address in the GVL records in order for you to have access to this feature, and you must register with that email address.
